*Changes may occur. Contact the operator to discuss their pipeline systems and areas of operation.*

Elk River Public Utility District (ERPUD) is a public utility district created by the State of Tennessee to provide natural gas energy throughout the franchised area of Coffee and Franklin counties. ERPUD currently serves over 15,000 customers through a network of over 700 miles of mains. ERPUD serves the cities of Tullahoma, Manchester, Winchester, Decherd, Estill Springs, Cowan, Sewanee, and the USAF Arnold Engineering Development Center.
